P R E F A C E .

IN response to many calls the present book is issued in the *figure notation*.

I have named it SONGS OF GLORY No 2, because, in its preparation, I have kept in view the points that made the former book so popular, and hope to have succeeded in imitating its good qualities sufficiently to entitle it to a place *second only* to its MODEL PREDECESSOR.

With many thanks to the contributors, and a hearty "God speed" to the book and its friends,
I am, yours truly,
JAS. H. FILLMORE.

GERMAN.
